2, 4, 6, 14, 34
are spare on
J1, J4
All odd pin
grounded on
J1, J4

- NOTES:**
1. All capacitor values are in micro-farads and all resistor values are in ohms unless otherwise stated.
 2. On some boards, R5 may appear as a 1K resistor and R21 may appear as a 750 ohm resistor.
